

fsquared photography  
family rates 2021/2022

## introduction

first of all, we're honored to be considered.

and just like our couple-related shoots, we tailor our photography styles for families to help show how they're unique.

we capture you guys in your realest selves in a fun, relaxed and playful experience to get the most authentic shots of your family.

now, let's create some memories.
